Russian State Exam:

Task 39. Letter writing

Saint-Petersburg, Russia

23.03.2016

Dear Pamela,

Thank you for your letter. It was nice to hear from you again. Sorry for not writing, I was busy with my project.

As for the person in my family who I admire, I think it is my Dad. Unfortunately, he is always busy, but when he has some free time I like to talk with him and discuss different problems. He is very intelligent and smart and that is why I like to spend time with him talking. I admire him because he is rather a positive and optimistic person.

By the way, what about your new mobile? Is it a new smart phone? Can you use the Internet and different apps now? Do you use it to listen to music? That's all for now. I've got to go.

Write back soon.

Best wishes,

Semyon

Dear Patricia,

(1)_____ (2) _____. I'm really sorry I didn't answer before. I was really busy with my project

(3) _____, I usually wear a skirt and a blouse or a dress, but actually in Russia, it doesn't really matter what you're wearing. However, clothes can vary depending on different occasions. For example, teens prefer to dress smart for a party and to wear casual or disco clothes for dancing. As for me, my favourite type of clothes is jeans and hoodies.

(4) _____, great news! Where is your sister going to celebrate her marriage? How many people will

be there? What plans do they have for their honeymoon?

(5) _____. My mum's calling me.

(6) _____.

(7) _____,

Asya

Sample letters content analysis

Read the task and answer the questions:

1. What questions should you answer?
2. What questions should be asked?

...I am doing a survey about young people in different countries. What are Russian teenagers like in your country? What are their hobbies? What do they like to do in their free time?

As for me, I have a new hobby. The weather is fine today and I'm going to try my new skateboard...

Write a letter to David

In your letter:

Answer his questions

Ask 3 questions about his new hobby
